REPUBLICAN LEAGUE

D. C. MCGAVIN ELECTED TO THE

OFFICE OF PRESIDENT.

The Executive Committee of the

Young Men's Republican League met

in regular session in the rooms of the

Union League last evening, for the

transaction of current business, and

the election of a presiding officer, vice

George B. McLaughlin, Jr., resigned.

D. C. McGavin was elected to fill the

vacancy.

Mr. McGavin tendered his resignation

February 23 to take effect immediately

at the pleasure of the Executive

Committee. At a meeting of the

committee March 1, the resignation

was accepted, but Mr. McGavin

was prevailed upon to remain in office

until after the banquet of March 27. It

being agreed that his successor should

be chosen at the first regular meeting

of the committee after the banquet.

The rumor exists current in an evening

paper that President McGavin was to

be to be elected as a permanent

President for the year ending

October 31, but this is not the case.

After routine business the election of a

president proceeded. Mr. McGavin

was elected to the office of president

for the year ending October 31. Mr.

McGavin was the logical successor to

the presidency. Mr. McGavin was

elected by a vote of 10 to 2.

Mr. McGavin was elected by acclamation.

The office of secretary being left

vacant by Mr. McGavin's promotion, L.

H. Schwab was unanimously chosen

for that office.

It was decided to hold a general

meeting of the league April 27 for the

election of delegates to the State

convention of the Republican League

clubs to be held here April 27 and 28.

SAINT BARBARA COUNTY.

CLEAR CASE OF MURDER.

SANTA BARBARA, March 26.—

[Special Correspondent.] All eyes

turned to the case of the murderer

whose body was found in the brushwood

of the Coyote Canyon, seventeen miles

from here, and his death was settled this

morning by a careful examination of

the body. The coroner of Ventura

county held an inquest upon the

murder. The verdict was that the man

"came to his death by a blow upon the

right side of the head from some blunt

instrument in the hands of parties

unknown."

An examination showed that the skull

was cracked from ear to ear. The

blunt instrument must have been in

the hands of a party of considerable

strength, for but one stroke was needed

to take life from body that was built

like an oak.

Sheriff Stewart of this county carefully

examined the ground where the

body was found. In his conviction

that Arrellano was killed in an old

trail built years ago up the wild canyon

and that he was killed there like a

dog. There is an old bent limb over

which the body first fell and blood

from it became a pool. The body rolled

down an incline into a brush thicket.

The search for the murderers will be

kept at once.

SAVED FROM STARVATION.

The schooner Dawn, which makes

trips between here and the Channel

Islands, arrived last evening from San

Nicaragua, bringing two Chinese,

who had been rescued from starvation.

They were in a miserable condition

and had been on the island three weeks

ago from lack of proper food. The

Chinese, who were employed by an

abandoned firm here, went to the island

about five months ago. They were

after a Chinese, the dried meat of which

is a Chinese delicacy, and a Chinese

skinner, for which there is a good mar-

ket. As was the custom, the schooner

in which they were transported to the

island left soon after the Chinese were

not ashore. It was the understanding

that the men should be called for

about this time.

After being on the island for about

a month the Chinese returned one day

from a fishing trip and found that their

Men Originate and Monkeys Imitate.

The phenomenal success of our "WONDER" sale has prompted a would-be competitor to imitate our sale by using the same colored signs and practically the same name, in order to profit by our newspaper advertising. This does not affect our sale in the least, as the bargains we offer cannot be duplicated by the monkey or any one else. We merely mention these facts to warn the public against making the mistake of getting into the wrong place. Our numbers are 142 and 144 North Spring St. Be sure to find us and see the greatest bargains ever offered. We mention a few by way of comparison:

## TWO NEW MEMBERS ELECTED.

VACANCIES FILLED BY THE CITY BOARD OF EDUCATION.

John G. Wood, and Dr. Carl Kurtz the Successors to Charles Udell and Dr. W. H. Stearns—Mrs. Van Gorder's Request Filed—Rosedale School Additions Not Granted.

At the meeting of the Board of Education last evening two new members were elected to fill the vacancies on the board caused by the resignation of Charles Udell and Dr. W. H. Stearns.

John G. Wood, cashier of the California Bank, was elected to represent the Sixth Ward, and Dr. Carl Kurtz to fill the vacancy in the Eighth Ward.

Charles Udell tendered his resignation to the board two weeks ago, at which time his request to be relieved of the duties of school trustee was laid upon the table.

Last evening a communication was read from the City Council stating that the resignation of Dr. Stearns had been filed with that body and accepted.

The resignation of Dr. Stearns was but one action open—that of declaring the position vacant. The resignation of Mr. Udell was then taken from the table and accepted.

Mrs. Clara M. Van Gorder, formerly Miss Udell, was elected to represent the board last evening, not in person, but with a communication requesting that her nomination be accepted.
